

Dear Valued Customer

The 15h00 RIM tour has been cancelled from the 6-16 March 2018 due to limited capacity.

We have identified technical issues with two of our vessels and in the interest of safety we have removed and sent them in for repairs. It is important that all our vessels are compliant with safety and maintenance standards at all times.

During this period (6-16 March 2018) you may reschedule with no administration fee, for the next available date or get a full refund.

Please call 021 413 4247/63 or 64 in order to reschedule for the next available date or to get a full refund.
